ENROLMENT IS DEPENDENT ON

- Personal details provided at the time of pre-enrolment being accurate
 - Any changes to details in this application have been notified to the school in writing
 - All pre-enrolment procedures have been completed, formally acknowledged and accepted by the School
-

IN-ZONE RESIDENCE (COMPLETE ONLY IF YOU LIVE IN-ZONE)

A. I understand that students accepted under the In-Zone criteria will be expected to remain within the In-Zone while attending the school. ANI expects that if children accepted as In-Zone students move Out-of-Zone, they will enrol at their new local school.

B. Auckland Normal Intermediate expects that if parents intend to change their address they will immediately inform the school.

I/We certify that the information given in this application form is correct and I/We have read and understood the conditions of In-Zone Residence. Yes

Note: To make a false declaration is a criminal offence.

The Ministry of Education has advised that parents should be warned of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly giving a false address or making an in-zone living arrangement which they intend to be only temporary.

For example:

- Renting accommodation in-zone on a short-term basis
- Arranging temporary board in-zone with a relative or family friend
- Using the in-zone address of a relative or friend as an "address of convenience", with no intention to live there on an ongoing basis.

If the school learns that a student is no longer living at the in-zone address given at the time of application for enrolment and has reasonable grounds to believe that a temporary in-zone residence has been used for the purpose of unfairly gaining priority in enrolment at the school, then the Board of Trustees may review the enrolment. Unless the parents can give a satisfactory explanation within 14 days, the Board may annul the enrolment. This course of action is provided for under section 110A of the Education Act 1989. **The school retains the right to make all inquiries necessary in its opinion to obtain information that may assist it to reach a decision.**
