

MATAI TEAM

2017 TERM 2

Kia Ora and welcome back! We hope you had a relaxing break with your family and ready for what Matai Team has in store.

Term 1 was definitely busy with students getting to know their teachers, their classmates and settling into their role as leaders of the ANI. Science was a highlight for most as we explored different scientific principles and participated in a range of experiments. It was fantastic to see all the different products the students created through the two units of inquiry. Another highlight was Polyfest where the whole school was involved and students experienced different cultural dances and food.

We have another eventful term with a lot of exciting activities planned. Of course we have Matai Team camp (8 - 12 April) where students will be able to try new activities, experience an overnight camp and develop strong friendships across the team. We also have the school production (28 - 29 June) which is an ANI version of high school musical. This term, students will also be learning Te Reo with Matua Jack.

If you have any questions please email your child's teacher:

Room 1: Megan Hughes
mhughes@ani.school.nz
 Room 6: Rachael Murray
rmurray@ani.school.nz

Room 2: Andy Lawrence
alawrence@ani.school.nz
 Room 7: Clara Kim
ckim@ani.school.nz

Room 3: Saasha Jolley
sjolley@ani.school.nz
 Room 8: Ben Griffiths
bgriffiths@ani.school.nz

For all important dates please refer to the ANI School Website: www.ani.school.nz
