

Welcome to Term 3 2017! Time does fly when you are having fun, and your child is now entering their last 2 terms at ANI. Term 2 proved to be a very busy term- we kicked it off with an amazing camp, covered 2 themes and lots of Matai students participated in the Production. Term 3 promises to be just as action packed! We look forward to discussing your child's learning at the triadic interviews in Week 1. We welcome a new teacher to the Matai whanau, Daniel Healy, who will be teaching in Room 8.

If you want to contact any of the teachers please do not hesitate to email:

Rm 1- Megan Hughes

[mhughes@ani.school.nz](mailto:mhughes@ani.school.nz)

Rm 2- Andrew Lawrence

[alawrence@ani.school.nz](mailto:alawrence@ani.school.nz)

Rm 3- Saasha Jolley

[sjolley@ani.school.nz](mailto:sjolley@ani.school.nz)

Rm 6- Rachael Murray

[rmurray@ani.school.nz](mailto:rmurray@ani.school.nz)

Rm 7- Clara Kim [ckim@ani.school.nz](mailto:ckim@ani.school.nz)

Rm 8- Daniel Healy

## FUN AT CAMP

Theme: Sharing the Planet (24 July-15 September)

Central Idea:

Managing the balance between the human and natural world can create challenges

Lines of Inquiry

- Indigenous perspectives influence the survival of native species
- Species adapt to the changing environment
- Human actions impact the world around us

Key concepts- Causation and Responsibility

This is a Science based theme so classes will be working with our Specialist teacher, Dani Biddle, once a week. We will be exploring the idea of action- and how we can make a difference in the world.

Beginning Exhibition- (18 Sept-29 Sept)

In the last 2 weeks of the term we will begin exploring the Who We Are theme in preparation for Exhibition.

Other Learning Areas

Literacy- Literacy is fully integrated into our themes. This term we will be looking into how static images can be used to get across different ideas. We will be analysing them and creating our own.

Mathematics- This term we will learning about Probability, the chance of events happening, creating experiments to solve problems (24/7-11/8) We will also be looking at relationship, patterns and equations through Algebra (14/8-29/9)

Specialisation

Technology and the Arts: The students will be going to Technology and The Arts twice a week. These will also be integrated into our themes.

Languages- Students will be learning Mandarin twice a week for 45 mins with Mrs Emily-Mei Hemstapat.

Te reo will continue this term once a week with Matua
