

KOWHAI

TERM 2-2019

SPECIALISATION

Music, Media & Production

This term the focus of Music & Media gets into full swing as the students will be combining both disciplines and adding value to term one's knowledge. They'll be creating short films and entering them in the fabled 'Outlook for Someday' film challenge. Additionally, the extension musicians will be continuing their journey of performance and practise as they head toward new and exciting competitions and festivals coming up! Also, also its performance countdown!!! This term the Arts department embark on the journey towards the production of Hairspray Jr, where students will audition and rehearse ready for term 3!

Digital Technology

Year 7's will be exploring computational thinking through game design using Scratch. Year 8's will be using digital animation to communicate their understanding and action their inquiries.

Visual Arts

This term in visual arts we will be focussing on skill development through creativity and originality, making sure to have lots of fun along the way! Year 7's will continue to develop key skills in line, colour, form and shape while Year 8's will begin the term focusing on static images.

Soft Technology

During Soft Tech lessons this term, Year 7 students will be designing and constructing felt learning resources to donate to local preschools. Year 8 students will have the opportunity to learn graphic design skills that they can utilize to send their Sharing the Planet message onto a t-shirt.

PE

PE in term 2 will be as exciting as ever. Students will be working on problem-solving in small groups combined with fundamental skills such as kicking, throwing and running. They will be learning about body and space and how to manipulate defenders positions.

SCIENCE

This term the year 7's are exploring 'How the World Works' for their line of inquiry. Students will have opportunities to design and test simple machines, challenge Newton's Laws and problem solve solutions to STEAM-based activities. Year 8's will have science again in term 3.
