

Rimu Team Task Board

Here is your self directed task board for the next few days! Take a look at the list of activities and choose some of them to complete. These are the activities you can do between 10am and 2pm each day.

Have a great time learning at home and we hope to see you all again soon! Stay positive, stay active!

Literacy	Literacy	Maths	Social Science	Activities
<p>Fairy Stupid Tales Watch the video Re-write your own fairly stupid tale and send to someone you think would enjoy it *Cough-Mrs Triana-Cough* Watch one of the many bloopers</p>	<p>Haiku Poem Writing Use your creative brain to express yourself through different types of poems.</p>	<p>Special addition image Take a look at this problem task. Although it might seem simple to start, you might find the challenge fun!</p>	<p>Treaty of Waitangi Work through this activity book to broaden your understanding of the Treaty.</p>	<p>Craft: Chinese Lanterns To celebrate Chinese New Year, try your hand at crafting and creating your own Chinese lantern.</p>
<p>Picture prompt Take a good look at the picture... what do you notice? Choose which perspective you would like to write from and then make sure you cover</p>	<p>Writing Challenges Take a look at some of these writing prompts!</p>	<p>Maths Challenge Take a look at a couple of problem solving tasks. See if you can come up with more than 1 strategy, or recreate your own problem solving questions!</p>	<p>Wonderpolis Explore lots of different posts about science and technology. There will be something in here for all of you!</p>	<p>Build Your Own Board Game As it's raining today and might be this week, try creating your own board game!</p>
<p>Fly Me Up Read the above journal article about Tiffany Singh - a social practice artist. Create a 5WH (who, what when, where, why, how) grid on google docs or drawings and share with your teacher. Watch this Fly Me Up clip on youtube for extra information.</p>	<p>Creative Writing Prompts Use these prompts to help you with your creative writing.</p>	<p>Maths Problem Solving Use your mathematical skills to find out who the winner is in World Book Day</p>	<p>Science Learning Hub Choose a topic that interests you in this science hub. Take photos of the process and share with your teacher.</p>	<p>Tangram</p>
