

Kauri Distance Learning Activities

Complete this work over the next 3 days between the hours of 10am and 2pm. We recommend 3 tasks a day that will take you between 30 to 45 minutes.

You can choose whether to do this digitally or on pen and paper.

We DO NOT expect you to complete all of these tasks over the next 3 days.

Choose a range of tasks and work on them as best you can.

At the end of the 3 days you must email your work or pictures of it to your classroom teacher.

Zoom catch up calls will be available with your classroom teacher, should you want to check in or ask any questions. The links are at the bottom of this document.

Class teachers will email your parents details, but classroom teacher emails are also at the bottom of this document.
